Update 3/16/20:

In an effort to slow the spread of the COVID-19 virus as well as to coincide with local school closures and recommendations from the CDC, Goodall Library is currently closed until further notice.

All programming, activities, etc. that were scheduled during this time of closure are cancelled, and we will update you when we have further information on any that will be rescheduled to another date.

All overdue fines will be waived during this period. However, we greatly appreciate any materials you are able to return through our book drop.

Phone lines are open from 10AM - 4PM Monday - Friday to answer questions, and we will continue to post updates and helpful resources on our website and our social media pages.

A more detailed update will be posted Wednesday 3/18 concerning the opening of limited library services in the days to come.

We thank you for your understanding during this time, and want you to know that we are still here to help our wonderful patrons remotely in whatever way we can. Stay safe, and remember that reading a book out in the sunshine is a lovely way to spend this socially-distant time.

With warmest regards,
The Goodall Memorial Library Staff
